ORDERING INSTRUCTIONS

Orders for forms must be on the Forms Order (GEN 727B) only. Detailed instructions for filling out the forms order are shown on the reverse side of the form. Whenever possible, consolidate orders until all lines of the Forms Order are filled and limit your order to a three-month supply of each item.

California Department of Social Services has forms which are both free and sold to the counties. Forms which must be purchased by the counties are indicated as such in the catalog by the price in the far right column. Free/sold forms and numbered publications may be placed on the same order.

Prices shown in the catalog are computed to recoup printing and administrative costs.

Send your orders to:

California Department of Social Services
Warehouse
P.O. Box 980788
West Sacramento, CA 95798-0788

Forms with revision dates prior to the most recent printing will be shipped by California Department of Social Services Warehouse provided the order revision is still valid. These valid forms bearing older revision dates will not be accepted by the Warehouse in exchange for the latest revision.

Orders may be reduced at the discretion of the Warehouse, depending upon the level of stock available.

For information on ordering forms not listed in this catalog, please contact Social Services, Forms Management Unit, at (916) 657-1907, ATSS 437-1907.

CAMERA-READY COPY

Camera-ready copies may be requested by counties currently printing their own supplies.

Requests can be made by contacting the Forms Management Unit, at (916) 657-1907, ATSS 437-1907.

BACK ORDER PROCEDURE

If a form is backordered, it will be noted on the copy of the forms order returned to you. A duplicate copy of the order will be retained by DSS Warehouse and the order shipped when stock becomes available. Do not reorder backordered forms or you may receive and be billed for duplicate shipments. If the backordered form is sold, counties will be billed in the quarter the order is filled.

In some instances, orders may be reduced and the balance will not be backordered. This will be indicated on the forms order returned to you. To obtain the balance, you should reorder on another form GEN 727B.

SHORTAGES AND DAMAGED DELIVERIES

If an order is short or damaged, please contact the CDSS Warehouse within five (5) working days after receipt of the order to request an adjustment to your invoice for the billing quarter. In the event of damage in transit, the California Department of Social Services will file a claim against the carrier. The following documents should be forwarded in order to substantiate the claim:

1. Copy of carrier's freight bill or delivery document bearing notation of shortage and/or damage.
2. Copy of carrier's inspection report when issued.
3. Statement of all pertinent facts concerning the shortage or damage not in the above documents, signed and dated.

If stock is defective or ordered in error, contact CDSS Warehouse at (916) 371-1974.

OBSOLETE FORMS

Whenever possible, the California Department of Social Services will keep the obsoleting of forms to a minimum. However, when State or Federal legislation/regulation changes make it necessary to obsolete a form, CDSS will credit CWDs/Agencies for the return of their obsoleted stock.

An official obsolescence notice via the GEN 127 process will be issued on all forms to be obsoleted by CDSS; do not return any forms for credit until such notices have been issued. Follow the instructions below on the return of stock.

RETURN OF STOCK

If reason for return of stock is acceptable, such as obsolescence by DSS or stock shipped in error by CDSS, the stock must be returned in its original condition within 30 days of the receipt of stock or the date on the notice of obsolescence for credit to be given. Also the stock must have been ordered within 180 days of the return date. Stock returned must be accompanied by a copy of the original GEN 727B order form on which it was ordered so that credit can be given. The amount credited will be based on the unit price of the form at the time of purchase and applied to the current quarter's bill. The shipping costs for return of stock must be paid by the county.

CATEGORIES OF DEPARTMENT DEVELOPED FORMS

The following definitions pertain to the classification of forms listed in this catalog:

Required Form - No Substitute Permitted - Section 23-400.111, Management and Office Procedures - Forms Management

Forms in this category are required and cannot be modified or reconstructed. However, overprinting is permitted.

A form is assigned to this category if: a) the form is legally mandated or federally required; b) uniformity is necessary in the gathering or reporting of data; or c) the form will be used to communicate information between CWDs/agencies and some state or federal agency.

Required Form - Substitute with Prior DSS Approval - Section 23-400.112, Management and Office Procedures - Forms Management

Forms in this category are required forms for which modifications or substitutions with prior California Department of Social Services' approval are permitted. The CWDs/agencies may modify these forms to add or obtain information that does not 1) conflict with program policy/regulations; or 2) change the legal content of the form. Ordinarily, rewording the content of a form in this category will not be approved. However, such suggestions for language improvement will be considered by the Department on future revisions.

A form is assigned to this category if: a) legal or regulatory considerations require only certain content in the form; or b) uniformity is desirable, but variations in CWD/agency systems or demographic characteristics require flexibility so the form will be more useful without the need for supplementary forms.

Recommended Forms - Section 23-400.113, Management and Office Procedures - Forms Management

Forms in this category are recommended forms that CWDs/agencies may modify without prior California Department of Social Services' approval or may opt not to use. A form is assigned to this category if: a) it is used within the internal operation (not for client use) of the CWD/agency with no specific use or reference required by the Department of Social Services; b) it is a referral of verification form used within the CWD/agency not requiring uniformity or specific interagency coordination, and not legally mandated; or c) it is a model or experimental form being tested in CWDs/agencies prior to release for general use.

PROGRAM CONTACT

A program contact is indicated next to each form listed. You should contact that office about questions concerning the use of the form, suggestions for changes and improvements, and approvals of substitute county forms. Send inquiries to the attention of the program contact at:

California Department of Social Services
P.O. Box 944243
Sacramento, CA 94244-2430

NOTICE OF FORM CHANGE - GEN 127

The CWD/agencies will be notified about new, revised and obsoleted forms through Form GEN 127, "Notice of Form Change". The notice will contain information about the following:

- Order unit and price;
- Information on whether previous versions can continue to be used or shall be removed from future use;
- Effective dates to use new forms;
- References to manual sections, and All-County correspondence containing instructions and policy about the new form;
- A list of changes to revised forms;
- Obsolete forms, or advance notice of forms to be obsoleted in the future.

CWDs/agencies should use the Notice of Form Change to update their County Forms Catalog.

The notices are numbered in sequence within calendar years (e.g., 96-001). Counties can obtain missing notices by contacting California Department of Social Services Forms Management Unit (916) 657-1907.
